★★★★★ choj\*\*\*\*

My mom's skin is finally brighter and firmer! It even helps with her fatigue. So glad I found this.

★★★★★ minj\*\*\*\*

Perfect for my sensitive skin. I wake up with a brighter complexion and feel a real 'clear from within' glow.

★★★★★ yuna\*\*\*\*

Getting compliments again! I really feel the difference, and the yummy orange taste makes it easy to take daily.

# AIBLAB

AWAKEN YOUR INNER BEAUTY

The most honest choice for skin that shines brighter as time passes. AIBLAB Liposome Glutathione Collagen Max suggests beauty that fills you from the inside out, containing Korea's highest level of high-content glutathione (85%), liposome technology for increased absorption, and low-molecular collagen.

Light that radiates from a healthy inner self rather than a flashy exterior. AIBLAB aims for deep health that endures through time, not just a temporary sparkle. High-content ingredients in every single tablet and an honest formulation prepared solely for 'real change.'

## 3.5-Gen Liposomal Technology

Developed with advanced liposomal technology that mirrors the structure of cell membranes, this formula significantly improves glutathione absorption. Unlike standard glutathione, which is degraded in the stomach and absorbed poorly, liposomal glutathione is encapsulated in a phospholipid membrane that protects it from stomach acid and delivers it safely to the intestines for superior uptake.

**✓ Liposomal Glutathione**  
Enhanced with next-generation 3.5 liposomal technology for superior absorption. Yeast-derived glutathione is included at a high purity of over 85%.

**✓ Ultra-Low Molecular Collagen**  
Formulated with ultra-low molecular collagen designed for better absorption. Its small, gentle particles are easy for the body to take in without burden.

**✓ Vitamin C, B Complex, Vitamin E, Selenium**  
Packed with vitamin C, a full B-complex, vitamin E, and selenium to support your daily foundation. Experience antioxidant support, energy, and enhanced absorption—all working in synergy.
